Programme: Diploma in Communicative Marathi (Level 2)

Credits: 4

Duration: 120 hrs

Objectives:

1. Imparting communication skills in Marathi for level 2. Teaching of Marathi language to non-native speakers through the integrated communicative approach.
2. Facilitation of teaching of Marathi by latest teaching methods, techniques and tools with additional content generation for audio visual learning programmes used across the world in teaching various modern languages.
3. To bring the teaching of Marathi language on par with the international standards in language teaching.
4. Imparting Language Acquisition Techniques through the communicative method in a systematic, scientific manner.
5. Standardisation of Marathi language courses in progressive stages for beginners', intermediate and advanced levels.
6. Create a vibrant and democratic academic culture that fosters initiative and independent thinking in students instead of learning languages by rote.
7. Online resources will be explored.

Rationale of the Diploma in Communicative Marathi (Level 2):

After having finished Certificate in Communicative Marathi (Level 1), learners need to go to the next level of learning Marathi through the integrated communicative approach. Teaching of languages, particularly Indian languages, needs to be revolutionized in order to give an impetus to Indian Languages. This requires intense interaction with the methodologies, tools and techniques of teaching, deployed in the teaching of various languages, including foreign languages. This will make Marathi potentially viable as a second, third or foreign language. Marathi and German are both Indo European Languages with similar language structures, so teaching methodology can be similar.

Programme Description:

The programme shall enable the learners to understand and communicate with sentences and frequently used expressions related to areas of common immediate relevance, for instance basic personal, family information, shopping, local cultural space and employment. Communication skills of speaking, writing, reading, hearing and understanding for simple and routine tasks and

situations shall be imparted. The learners shall be able to express themselves, describe and exchange information on familiar and routine matters, describe their background, immediate environment and matters in areas of immediate need in simple language.
