

UNIVERSITY OF MUMBAI

**Practical Examination Second Half 2016 in Computer Science at
M.Sc. Part I (Yearly Pattern)**

**PRACTICAL EXAMINATION IMPORTANT GUIDELINES FOR CENTER
(Confidential Only for Center In Charge- Not to be displayed on the notice board.)**

IMPORTANT:

1. University will send Practical question papers to the centers via email on the same day.
2. The file will be encrypted by a password. The password will be sent to the HoD/Co-ordinator half an hour before the commencement of exam.
3. It will be the responsibility of the Principal and HoD / Center-In-Charge to take the printout in the given time and start the exam on time.
4. Collect all the material required for the examination from the University two days before.
5. Allot the duties to experts, peon, lab attendant and lab assistant.
6. Prepare the files for center as well as external examiners consisting of session-wise day-wise list of seat numbers, instructions and rough mark lists.
7. Start all the sessions on exact time and conduct the examination as per schedule.
8. Prepare a folder which consists of all related data and software needed to conduct the examination.
9. The lab should be kept ready with preloaded software as follows:

Note: Practical examination will be held on the following papers as mentioned in the Time Table.

Paper	Title
I	Principles of Compiler Design-I & II (Software required: Turbo C/C++, Java jdk 1.6 or higher)
II	Digital Signal Processing-I & II (Software required: Matlab)
III	Mobile Computing and Computer Simulation and Modeling (Software required: J2ME and Excel)
IV	Data Warehousing and Mining and Advanced Database Systems (Software required: SQL Server 2000 and Oracle 9i)

UNIVERSITY OF MUMBAI

**Practical Examination Second Half 2016 in Computer Science at
M.Sc. Part I (Yearly Pattern)**

Instructions to the HoD/Coordinator:

- 1) The center should provide ONE lab attendant, ONE lab assistant, ONE expert, and ONE lab supervisor for each session for the practical examination. The University shall provide TWO /THREE EXTERNAL EXAMINER for each session for the duration of the PRACTICAL EXAMINATION.
- 2) The External Examiner shall assign the marks for the practical examination for which a file with a rough mark sheet (day-wise, session-wise) having allotted seat numbers must be kept ready. A rough MARK-LIST should be prepared as follows:

Seat No.	PART A Component Out of 20/25	PART B Component Out of 20/15	Journal / Viva Out of 10	Total Out of 50

- 3) The designated expert faculty shall create a directory M.Sc.Part I November2016 in C:\ prior to the assessment in each of the machines used for examination. Further, subdirectories named by student's University Seat Numbers shall be created under this directory.
- 4) The candidate will store all his/her work solely in that subdirectory. This work need to be burn in CD and send it to the University. CD must contain day wise /session wise each candidate's work of every practical.

**Practical Examination Second Half 2016 in Computer Science at
M.Sc. Part I (Yearly Pattern)**

INSTRUCTIONS TO EXAMINERS

- 1) Kindly go through the “Instructions to Candidates” as well as “Instructions to the HOD”.
- 2) For the PRACTICAL EXAMINATION, the break-up is as follows:
Marks per PRACTICAL PER PAPER

Total – 50 marks

Actual practical: 40 marks,

Journal + Viva = 10 marks
- 3) Please be present 20 minutes before the scheduled examination time.
- 4) Check that the directory M.Sc. Part I November2016 is created.
- 5) Before starting examination, brief the candidates about the mode of conduct of examination. Take pains to put them at ease.
- 6) The expert faculty will guide the candidates to the proper place. Check whether the relevant CERTIFIED JORUNAL is deposited at its designated place before the candidate goes to the machine.
- 7) Follow the marking scheme as given above.
- 8) Record the marks on the answer sheet and ROUGH MARK-LIST provided by the college.
- 9) Transfer the marks to the computerized mark-list provided by the University after the assessment is over. In any case the marks should be entered before the examiners leave the lab at the end of the day.
- 10) Printouts are not required. Examiners will check the experiments performed and write the appropriate remarks on the answer book. Students’ practical work is to be burn on CD by Lab supervisors and CD is required to be submitted to the University along with the mark sheet.
- 11) Center In-charge/Sr. Examiner will submit the mark-sheets duly filled and signed within TWO DAYS AFTER THE END OF EXAMINATION TO THE CHAIRPERSON along with CD.
