Dear Alum,

The Department of Sociology, University of Mumbai, will soon be celebrating its centenary year in 2019. In this regard, we at the Department decided to reach out to our alumni who have contributed immensely in various ways in making the Department what it is today.

If first step in this direction is the setting up of a formal Alumni network and developing a database at the Department. Besides the digital/ hard copy that will be maintained at the Department, we are in the process of setting up a facebook page for connecting with the alumni of the department.

As part of the Centennial celebrations a number of activities are being planned and we would like you to be a part of the process.

In this regard, we would like to appeal to you to fill up the brief Alumni registration form and reconnect with your Department once again.

I look forward to your active participation and assistance.

Thanking you.

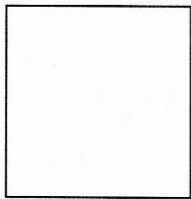

Warm regards,

Dr. B. V. Bhosale
Professor & Head
Department of Sociology
University of Mumbai
