

80-20 Scheme of examination

S.Y.B.Sc. Computer Science

Year 2015-16

Background:

1. S.Y.B.Sc. Computer Science has total 7 subjects as shown in table 1.

FC-II	Math-1	Math-2	Math-3	CS-1	CS-2	CS-3
100 marks	100 marks	100 marks	60 marks	60 marks	60 marks	60 marks

Table1: Theory subjects of S.Y.B.Sc

2. 4 Practical as shown in table -2

Math-3	CS-1	CS-2	CS-2
40 marks	40 marks	40 marks	40 marks

Table 2: Practical of S.Y.B.Sc

80:20 scheme of examination

1. In a new scheme of 80:20% evaluations, every student is evaluated for 80% external examination (EX) and 20% internal examination (IN) for both, theory as well as practical.

FC-II		Math-1		Math-2		Math-3		CS-1		CS-2		CS-3	
100 marks		100 marks		100 marks		60 marks		60 marks		60 marks		60 marks	
Ex 80	IN 20	Ex 80	IN 20	Ex 80	IN 20	Ex 48	IN 12	Ex 48	IN 12	Ex 48	IN 12	Ex 48	IN 12

Table 3: S.Y.B.Sc. C.S. Theory subjects 80:20 marking Scheme

Math-3		CS-1		CS-2		CS-2	
40 marks		40 marks		40 marks		40 marks	
Ex 32	IN 8	Ex 32	IN 8	Ex 32	IN 8	Ex 32	IN 8

Table 4: S.Y.B.Sc. CS Practical subjects 80:20 marking Scheme

2. For Internals there is no minimum passing mark. Zero marks for the internal evaluation are allowed in both theories as well as for practical.
3. There is an individual head of passing for theory as well as for practical.
4. Minimum passing marks for theory as well as for practical are 40%.

subjects	FC-II	Math-1	Math-2	Math-3	CS-1	CS-2	CS-3
Maximum marks	100	100	100	60	60	60	60
Minimum passing parks	40	40	40	24	24	24	24

Table 5: Minimum passing marks for theory subjects of S.Y.B.Sc

subjects	Math-3	CS-1	CS-2	CS-2
Maximum marks	40	40	40	40
Minimum passing parks	16	16	16	16

Table 6: Minimum passing marks for practical subjects of S.Y.B.Sc

5. If student fails in any theory subject or practical, he/she has to clear only those theory or practical component in next attempt.
6. In case “External examination” is conducted for 100 marks (for FC-II,Math-1,Math-2) and 60 marks (Math-3,Computer science -1,Computer science -2,Computer science -3)then the marks are to be converted to 80 and 48 respectively and are to be credited to the “External” marks component of the total evaluation.
7. Student appeared at S.Y.B.Sc. examination and has failed in the head of passing total of which shall not exceed 300 marks in which case he/she will be required to appear at the S.Y.B.Sc examination in the head of passing in which he/she has failed either previously or simultaneously with the T.Y.B.Sc. examination and his/her result of T.Y.B.Sc. examination will not be declared, unless he/she has passed in the heads of passing in which he/she has failed at the S.Y.B.Sc examination.
8. Grace marks for passing in each head of passing (theory / practical) is same as that of **ORDINANCE 5042**.
9. **Condonation** rule is also as per the **ORDINACE 5045**.
