Dear Sir/Madam,

Affiliated College principal,

Greeting From IDOL!

It is my immense pleasure to inform you that IDOL & INFLIBNET (Gadhinagar) are jointly organising a long awaited One Day “**SOUL Users Meet**” (Maharashtra & Goa) on **25th February, 2020**.

This “User Meet” is an unique platform for all the librarians to put forward their experiences of computerising Library Inhouse activities using SOUL Software, one of the complete Library Management Software.

Kindly accept our warm invitation and feel free to share your feedback and valuable suggestions to enhance Library Services leading to efficient and effective Teaching/Learning and R&D activity.
