No. DBOE/ICF/2017-18/ 361

Date - 27th July, 2017

CIRCULAR

Subject: Extension of Non-instructional days for Faculties of Arts, Law and Commerce

Ref.: Circular No.: DBOE ICG/ 2017-18/R-63 dated July 22, 2017

Thank you very much for your overwhelming response for the assessment. Due to your response, we have reached the target for assessment of more than one lakh answer books daily since 24th July, 2017.

I have no doubt in my mind that with your kind co-operation we will declare the results in the best interest of our students. I really appreciate the efforts of all faculty members especially the teachers of the Faculty of Science and Technology for their excellent response. They have completed nearly 95 per cent of the assessment. The Faculty of Management has also completed 90 per cent assessments, while the Faculty of Arts has completed 80% of their assessment.

However, the assessment in the faculty of Law and Commerce needs to further expedited in terms of its assessment work complete their assessment within stipulated time.

In order to complete the Assessment and Moderation in the **Faculty of Arts, Law and Commerce** only, and thereafter to declare the result of all examinations, **Non Instruction** days are further extended for University and Affiliated colleges from **28th – 31st July, 2017** only for the Faculty of Arts, Law and Commerce. The examiners and moderators of Science, Technology and Management Faculties are requested to extend their cooperation for OSM

after their academic duties till declaration of results of their respective Faculties.

I am directed to inform you that it is mandatory and compulsory for the teachers to report to the CAP centre and complete the assessment of their subject/s. I am sure unitedly we shall achieve the said goal and fulfill the mandate given.

(Deepak Wasave)
