Sub: Dr. Devangana Desai Endowment Scholarships 2018 for Junior and Senior Scholars

Dear Dr. Shinde,

Greetings from CSMVS Mumbai!

CSMVS has a legacy of research since its inception. It is evident from several archival documents that the founders of the museum and the successive curators and past directors were very particular about research and publication within the museum. The tradition continues in print and has grown at a large scale. Besides print media, the museum authorities have constantly ventured into new media that is film making, audio-visuals, documentaries, digital and social media.

CSMVS is proud to announce that Dr. Devangana Desai, a noted scholar and Trustee of CSMVS has instituted an Endowment Programme at the Museum. This endowment aims at the propagation of research and dissemination of study of ancient, medieval and pre-modern (until 1900s) art, archaeology, architecture, culture and history of India. There are 3 activities slated under the programme:

- The Annual Dr. Devangana Desai Endowment Lecture
- A 3-day biennial Art History Class on Art, Indology and Culture
- Dr. Devangana Desai Endowment Scholarship for Junior and Senior Scholars

We would specially like to inform you about the Dr. Devangana Desai Endowment Scholarship for Junior and Senior Scholars. The scholarships will support research in ancient, medieval and pre modern (until 1900s) art, archaeology, architecture, culture and history of India.
