P. Adva

Sub: Opening for position of "Production Engineer" in our company

Respected Sir,

Ours is a Limited Company with overall experience of 29 years in weaving field. We are specialized in weaving of Stainless Steel as well as other metals. Kindly refer our website www.kumarwiremesh.com to know more about our products. We have three factories at Chattral located at (Ahmedabad), and Taloja (New Mumbai).

We are in the process of expanding our business and are looking out for the following positions to foster our goals:

- Production Engineer with brilliant academic career in Textile Engineering + MBA.

The Salary will not be a constraint for a person with good candidature.

I request you to please put up our requirement on the Placement Board to help us in propagating this news to the right candidate.

Thanking you,

Yours sincerely,

Jiten
