No. EX/ICC/2015-16/.....!7

CIRCULAR :-

It is hereby informed to all the concerned that, the representations received from Krishnamoorthy Iyer and other students through Principal Dr. Alka Mahajan, SIES Graduate School of Technology, regarding the question paper in the subject of Advanced Microwave Engineering at B.E.(Electronic & Telecommunication Engg.) (Sem VIII) of First Half 2015, was referred to the concerned Co-Paper-setter for his opinion.

In reply, the concerned Co-Paper-setter has suggested as under :-

"...Considering the representation by students and faculty member of SIES, I guess that candidates might have found it difficult to obtain the value of, the center of output stability circle. I therefore recommend, to give a benefit of 6 marks to the candidate those who have attempted Q. 4 subject to maximum of 20 marks in Q.4".

The above suggestions have been accepted by the Vice-Chancellor.

In view of the above suggestions, made by the concerned Co-Paper-setter, the concerned examiners and moderators are hereby requested to take immediate action accordingly.
