No. EX/ICC/2015-16/..3.4.

CIRCULAR :-

It is hereby informed to all the concerned that, the representations received from students regarding the question paper in the subject of Information Technology Paper-II (Artificial Intelligence & Robotics) at M. Sc Part-II of Second Half 2015, was referred to the concerned Chairman/Paper-setter for his opinion.

In reply, the concerned Chairman/Paper-setter has suggested as under :-

“...I would like to clarify the following :

1. After having talk with the Paper Setter on the very same day of the examination i.e. on October 30, 2015 and subsequently, it was confirmed that the paper was of the same subject.
2. However, it seems that the questions were application oriented and the students have found it difficult to answer.
3. As there was call from university officials about the paper and were informed to me telephonically about the representation from the students on next day, we have taken due care while assessing the answer papers and ensured that there will not be any injustice done to the students”.

The above suggestions have been accepted by the Vice-Chancellor.

In view of the above suggestions, made by the concerned Chairman /Paper-setter, the concerned examiners and moderators are hereby requested to take immediate action accordingly.
