

National Science Day held on 28.02.2017

A one-day seminar cum inter-collegiate event was organized to celebrate National Science Day on 28th February 2017. Every year, National Science Day is celebrated in India to commemorate the discovery of the Raman Effect by Sir C.V. Raman on 28th February 1928, for which he was awarded the Nobel Prize (Physics) in 1930. Students from various colleges attended and participated in different competitions and events.
