**OBJECTIVE & FEATURES OF  
WORKSHOP**

The workshop on the UGC-CSIR-NET (Life Science) Exam aims to help the students to qualify the UGC-CSIR-NET exam. Students will be guided in the workshop to develop the analytical and reasoning ability and to develop scientific temper, which is necessary for clearing the UGC-CSIR-NET exam and pursuing the carrier in research. Workshop will help students to understand the scientific problems put forth in the UGC-CSIR-NET exam and enhance their ability to approach these scientific problems. The lectures will be delivered by the University Professors and Scientists from renowned Research Institutes such as BARC, TIFR, ACTREC etc. Lectures will be focussed on understanding the concepts of basic science and applied science and help the students to approach the UGC-CSIR-NET exam. Weekly online test series will be conducted after the workshop for further practice on solving the questions.
