## UNIVERSITY OF MUMBAI :

The University of Mumbai (known earlier as University of Bombay) is one of the oldest and premier Universities in India. It was established in 1857 consequent upon "Wood's Education Dispatch", and it is one amongst the first three Universities in India. It is abbreviated as MU for Mumbai University. The University was accorded 5 star status in 2001 & 'A' grade status in April 2012 by the National Assessment and Accreditation Council NAAC). It has been granted University with Potential for Excellence (UPE) status by UGC and PURSE Scheme by DST. The University of Mumbai offers Bachelor's, Master's and Doctoral courses apart from diplomas and certificates in many disciplines. More than 750 colleges in and around Mumbai are affiliated to MU and the campus located in Fort carries out administrative work only. Several institutes in Mumbai previously affiliated to the university are now autonomous institutes or deemed universities. The University of Mumbai is one of the largest universities in the world in terms of the number of students and has recently completed 165 years.

## DEPARTMENT OF PHYSICAL EDUCATION:

The Department of Physical Education was established under University of Mumbai, in the year 2005-2006. The Department of Physical Education is established in order to create resourceful and eminent Teachers and Masters in the field of Physical Education. Since its inception, this Department has successfully produced more than 1000 Teachers, Masters and PhD holders who are currently serving in various fields of Physical Education. Many students have cleared SET/NET examinations. The Department of Physical Education is located in Kalina Campus of University of Mumbai and it is aptly situated in the Sports Complex, which caters to all the training needs of the students.

## About the Seminar and Workshop:

Research is the systematic and objective process of gathering, recording and analyzing data for taking appropriate and meaningful decisions. To keep pace with the recent advancement in any discipline, one has to be well versed with latest developments in research methodology. The seminar is designed to cater the needs of the physical education teachers, research scholars and postgraduates in the field of Physical Education. One needs to possess a solid conceptual clarity so as to overcome the knowledge gaps or the wrong notions related to research for fruitful research to happen. Keeping in view the importance of research methodology, the seminar and workshop is aimed to explore the basic dimensions of research and create platform for academicians and research scholars for sharing their views.

## Courses offered by the Department:

- B.P.Ed. (2 years)
- M. P.Ed. (2 Years)
- Ph.D.
- Certificate course in Fitness Centre Management (6 months)

## The key highlights of the seminar and workshop are:

### Research Methodology

- Preparation of research proposal
- Preparation of research report
- Bibliography
- Plagiarism
- Impact factor and citations
