Subject- Regarding Employment of Students from your Campus.

Respected Sir,

I am writing this email to you regarding a few of your students that we would like to take into employment. We would be interested to hire students from your campus who would be willing to work for this institution.

Speedlabs is an educational center that provides the best technological practice platform for students. With several branches across India, Speedlabs offers top quality personal guidance. It is founded by IIT/IIM alumni, with extensive teaching experience. Speedlabs is a structured organization providing facilities and resources such as well-equipped computer labs. Lectures are interactive and suitable for non-active learners as well. Personalized instruction and regular constructive feedback is a pivotal part of Speedlabs. Bringing out the best in every student is precisely what we strive towards. Our aim is to make the student's learning process personalized, enjoyable and gain a stronger command over concepts as a life skill.

Students interested would be assigned work according to their eligibility. We have positions available for the **content team and faculty**. The starting **Salary** ranges from 15k to 20k.

Please let us know how to take this forward. Students can directly send the CVs to [kuldeep@speedlabs.in](mailto:kuldeep@speedlabs.in) and [info@speedlabs.in](mailto:info@speedlabs.in)

Sincerely,  
Kuldeep Meena  
Senior Manager  
SpeedLabs, Teevra Edutech Pvt Ltd

ATTN: M.Sc II Students who are interested are advised to forward their CV to Kuldeep at Seminar Hall, Department of Physics, H.wam. The last date is 16/02/2019.
