

A workshop on “CV building and Interview skills” was conducted by the department on 17<sup>th</sup> Dec 2016. The workshop was conducted by Mrs. Parija Bhise, she a leading soft skills and behavioral trainer in India. For the past 9 years she has trained over 5,000 people of various ages and backgrounds, from students to executives. Her training sessions are always energy packed and the participants feel very comfortable during her sessions because the sessions are filled with fun, activities and two way communication. Parija is an Engineer in IT and is a double post graduate in Business Management. She has worked with international organizations like Indiabulls, The Royal bank of Scotland and Google in the past. In her free time she enjoys playing with her children and baking.
