- (a) Biotechnology (20 seats)
- (b) Biochemistry (15 seats)
- (c) Environmental Biotechnology (15 seats)
- (d) Aquaculture Technology (15 seats)

**The total number of seats offered: 65**

#### Eligibility:

##### **M.Sc. (by Papers) Programme:**

University of Mumbai, as per the resolution of the Ad-Hoc Committee in Life Sciences (appointed by the Academic Council) dated February 21, 2006, has provided eligibility guidelines to Candidates seeking M.Sc. Degree (by Papers) in Life Sciences. The relevant details as approved by the Academic Council are highlighted below:

- Candidates with the following combination of subjects will be eligible for admission to the M.Sc. Degree Course in Life Sciences:

*continued*

- The Bachelor's Degree in Faculty of Science in the subjects of Life Sciences, Botany, Zoology, Microbiology, Biochemistry, Chemistry (with Biological Sciences at F.Y. and S.Y.), Biotechnology or Applied or Allied Biological Sciences of this University or equivalent Degree of recognised Universities.

OR

- The Bachelor's Degree in the Faculty of Medicine of this University or of recognised Universities.

OR

- The Bachelor's Degree in the Faculty of Technology of this University or of recognised Universities with the background of courses in Life Sciences.

OR

- The Bachelor's Degree in the Faculty of Agriculture of Veterinary Sciences of recognised Universities.

The change in schedule of admission process if any would be officially notified by the University Department of Life Sciences on notice board as well as on website: <http://mu.ac.in/portal/department-of-life-science>.

Further that 50 per cent of these seats of the M.Sc. Degree in Life Sciences will be reserved for students passing the B.Sc. Degree of this University with Life Sciences as their *single* major Subject.

Allotment of specialization (for M.Sc. Part II) would be done at the time of admission to first year M.Sc. and will remain the same till the completion of entire programme.

Admission to candidates belonging to Reserve Category would be in accordance with Government Policies.

Dr. Indu Anna George
