

**M. Sc. Physics Semester - I Lecture Schedule (August 2018 – December 2018),**

**Note: Semester I will start from September 04, 2018**

| Time           | Monday                                       | Tuesday                                      | Wednesday                                                      | Thursday                                 | Friday                                       | Saturday                                  |
|----------------|----------------------------------------------|----------------------------------------------|----------------------------------------------------------------|------------------------------------------|----------------------------------------------|-------------------------------------------|
| 9:00 to 10:30  | Mathematical Physics<br>Prof. Anuradha Misra | Solid State Physics<br>Dr. Milind Rundhe     | Classical Mechanics<br>Mr. S. Kasthurirangan<br>09:00 to 10:00 | Quantum Mechanics-I<br>Dr. B. J. Nagare  | Quantum Mechanics-I<br>Dr. B. J. Nagare      | 9:00 to 13:00<br>Extra lectures/tutorials |
| 10:35 to 12:05 | Classical Mechanics<br>Mr. S. Kasthurirangan | Classical Mechanics<br>Mr. S. Kasthurirangan | Solid State Physics<br>Dr. Milind Rundhe<br>10:05 to 11:05     | Solid State Physics<br>Dr. Milind Rundhe | Mathematical Physics<br>Prof. Anuradha Misra |                                           |
| 13:00 to 5:00  | Practical / Lab Tutorial                     | Practical / Lab Tutorial                     | Quantum Mechanics-I<br>Dr. B. J. Nagare<br>11:15 to 12:15      | Practical / Lab Tutorial                 | Practical / Lab Tutorial                     | 13:30 to 17:00<br>Practical Repetition    |
|                |                                              |                                              | Mathematical Physics<br>Prof. Anuradha Misra<br>1:00 to 2:00   |                                          |                                              |                                           |
|                |                                              |                                              | Seminar<br>2:00 pm to 4:00 pm                                  |                                          |                                              |                                           |

Venue for lectures: Physics Department Seminar Room (PDSR)

*S. R. ...*  
for Head,

Department of Physics (Autonomous)
