

DEPARTMENT OF EDUCATION

University of Mumbai

Organizes

Workshop on

Capacity Building Programme for Graduate and Post Graduate Learners

March 8th- 9th, 2016

About The Department Of Education

The Department of Education was established in the year 1974. It offers M.Ed., M.Phil., Ph.D. and Post Graduate Diploma in Management of Education. It organizes conferences, seminars, workshops, symposiums and refresher courses on a regular basis.

About The Workshop

Personality Development is a tool through which one can bring out their capabilities and strengths making themselves aware of their inner self and become more confident to face the outside world. As far as students are concerned a good personality development programme can help the students to face and meet the challenges of the outside world more effectively and efficiently. At the same time making it is easier for them to climb up the complicated career ladder more smoothly.

By knowing the importance of the growing demands of the day, the workshop on **Capacity Building Programme for Graduate and Post Graduate Learners** will be very useful. The present workshop aims at developing awareness in career and psychological well-being with the help of interactive sessions. The workshop basically intends with special emphasis on personality grooming and can aid students in dealing with the challenges of the outside world as well as in understanding the intricacies involved in the corporate world.

OBJECTIVES OF THE WORKSHOP:

- To orient and sensitize students about the capacity building
- To become self-confident individuals by mastering inter-personal skills
- To develop broad career plans, evaluate the employment market and identify the organizations to get good placement
- To develop an understanding into significance of communication skill for professional growth with more clarity and accuracy
- To develop competencies in different skills of communication

SUBTHEMES OF THE WORKSHOP:

1. General orientation and sensitization
2. Personality development
3. Communication skills: Written and Oral
4. Career building
