Subject: Invitation of Nominations for "Dnyandeep" Award

Respected Sir/Madam,

Greetings from Yashwantrao Chavan Maharashtra Open University, Nashik!

Yashwantrao Chavan Maharashtra Open University aims at making education accessible to the masses, adopting a flexible approach and with the optimum use of media communication and alternate learning technologies.

Falling in line with our goal and vision, the university has instituted an award in the field of distance education. The "Dnyandeep" award is given to the individual or organization alternatively, who has made significant contribution in the field of distance learning through research, development of teaching aids, designing curricula, community awareness and training, creative use of media, etc. As last year the award was given to an institution, this year it will be given to an individual.

The award is in the form of Rs.21,000/- (Rupees Twenty One Thousand Only), Citation and a Trophy. I am sure that several individuals in your institution are rendering praiseworthy services in distance learning. I therefore request you to nominate such individual who is working in this field for more than 15 years, for being considered for Dnyandeep award. A brief description/ Resume of the nominated or individual may please be sent to this office so as to reach by September 30, 2015. The entry should be in the prescribed proforma attached herewith.

Looking forward to your positive response in this regard.

Thanking you,

Sincerely Yours

Madhavi
