Dear colleagues

On behalf of the organizing committee, it is an honour to invite you to attend the International Conference on **New Paradigms in Financial Sector: Challenges & Opportunities** to be held on February 10-11, 2017.

THE IIS UNIVERSITY

The IIS University (IISU) is an exceptionally cosmopolitan and vibrant university based in one of the country's most exciting and ethnically rich cities – the Pink City. It is known for the excellence in the student centered learning and is dedicated and unequally qualified to prepare the students to become the World's next generation of creative leadership.

Amongst the thirty eight deemed to be universities in India placed in the category 'A' by Ministry of Human Resource Development, Government of India, it is a progressive institution that has blazed trails since its inception almost two decades ago as the International College for Girls (ICG). Within a short span of being granted an autonomous status by UGC in 2007, the college was declared deemed to be a university in 2009. The IIS University has also been accredited by NAAC and included u/s 12B by the UGC. The university is committed to promote quality education, research and innovation. The University offers a wide array of semester based undergraduate, post graduate and research programmes which make for a robust academic environment. Our motto is the three Es: Efficiency, Excellence and Effectiveness.

THE CONFERENCE

Financial sector has been the mainstay of every country's economy and it contributes immensely in the mobilization and distribution of resources. The elements of the financial sector are banks, financial institutions, instruments and markets which mobilize the resources from the surplus sector and channelize the same to different needy sectors in the economy. Against the backdrop of a complex and uncertain economic environment, financial service institutions all over the world, are struggling to retain their competitiveness and to align their business models to the rapidly changing circumstances. Forward-looking organisations are seeing the shake-up as a once in a generation opportunity to redefine their strategies and business models, when the competitive structure of their industries are relatively open to change. This conference aims to provide a platform for research oriented individuals to interact and share their view, experiences and research findings on the opportunities and challenges of financial sector.

OBJECTIVES

- To provide an opportunity to participants to upgrade their knowledge about the opportunities and challenges in Financial Sector.
- To promote high standards of teaching and training by way of knowledge sharing.
- To provide a forum for interaction on challenges and opportunities in banking sector, new paradigms in capital market and financial risk management. It would create an interface among corporate representatives, professionals, academicians, economists, practitioners, researcher and expert in the field of Accounting and Finance in India.

JAIPUR

Jaipur, the largest & Pink city of Rajasthan is an epitome of magnificence and vibrancy. This royal place is rich in heritage, culture and architecture. With splendid fortresses, majestic palaces, tranquil temples and beautiful havelis, Jaipur turns out to be an ideal tourist destination. The first planned city of India, it is the capital of Rajasthan and International tourists planning to tour Rajasthan start the journey most often from Jaipur. It forms a part of the Golden Triangle - Delhi, Agra and Jaipur, hosting many of India's great cultural gems and providing a good spectrum of the country's different landscapes.

The Golden Triangle is so called because of the triangular shape formed by the locations of New Delhi, Agra and Jaipur on the map. Jaipur, the picturesque capital, also known as the Pink city, was founded in 1727 by Maharaja Sawai Jai Singh II. It is not just the royal buildings and palaces that this city offers. Other than these captivating attractions, Jaipur displays exquisite handicrafts and spectacular jewellery. These intricate works of art add life and color to this Pink City's uniqueness. Also, the serenity of lush gardens and floral array acts as a cherry on the cake of fabulous landscapes. All this makes a picturesque view that tends to enthrall any visitor. To add on to its liveliness, this place has brilliant bazaars filled with bright turbans and ethnic attire, hand-dyed and embroidered textiles and delicious food. Dressed in pink, this royal city is the apt blend of heritage, palaces, culture, art and flamboyance. This fascinating city with its romantic charm takes you to an epoch of royalty and tradition.
