## Some of past exhibiting Secondary Education Institutions:

**LEMANIA COLLEGE**  
LAUSANNE Switzerland

The 2 events I attended were very well organized and the WEBA crew were very helpful. The quality of the agents who took part of the events was very good. There was also different institutions who attended the events, coming from different countries and proposing different programs. I would say both workshops were really interesting to create new contacts and to improve the ones we already had. Thanks to all from the WEBA crew!"
