UNIVERSITY OF MUMBAI

Essentials Elements of the Syllabus

1	Title of the Course	
2	Course Code	For e.g. Syllabus for Two Years M. Sc Course in Biodiversity
3	Preamble	For e.g. (PSBWCM)
4	Objective of Course / learning outcome	
5	Eligibility	
6	Fee Structure	
7	No. of Lectures	
8	No. of Practicals	For e.g. 4 courses per semester
9	Duration of the Course	For e.g. 4 period of week per course
10	Notional hours	Efforts of the Students in hrs to assimilate the unit
11	No. of Students per Batch	
12	Selection	
13	Assessment	
14	Syllabus Details	
15	Title of the Unit	
16	Title of the Sub-Unit	
17	Semester wise Theory	
18	Semester wise List of Practical	
19	Question Paper Pattern	
20	Pattern of Practical Exam	
21	Scheme of Evaluation of Project / Internship	
22	List of Suggested Reading	
23	List of Websites	
24	List of You-Tube Videos	
25	List of MOOCs

Department of Geography

Proposed Syllabus for the Certificate Course in Environment Management and Disaster Mitigation (with effect from the academic year 2017-2018)

Certificate Course in Environment Management and Disaster Mitigation

Preamble: The course will provide a scientific understanding of the types, causes, frequency, magnitude and effects of natural environmental and manmade disasters at different spatial and temporal scales. Links to global trends such as environmental degradation, persistent poverty, and growing urban density will be examined. This will lead to an appreciation of the cultural, economic political and social factors that combine to increase vulnerability to disasters. The participants will also be introduced to appropriate technical skills to monitor manage and mitigate hazards and disasters. The institutional setup of governments and the roles and responsibilities of different levels of government in actors in the context of city management and community based disaster mitigation will be examined; detailed understanding of the issues discussed in this course can be developed by taking other certificate courses of the Centre dealing with these issues.

Ordinances and Regulations for the Certificate Course in Environment Management and Disaster Mitigation

O. -----: A candidate for being eligible for admission to the Certificate course in Environment and Disaster Mitigation must have passed the Bachelors degree examination in any branch of the University of Mumbai or an equivalent examination of another University of India / Abroad recognized by this University as equivalent examination of another University of India / Abroad recognized by this University as equivalent thereto. The candidate must have passed the bachelors degree with 45% marks.

O. -----: Admission for the Certificate course will be open to the students from foreign countries on recommendation by the ministry of Education and Cultural Affairs, Government of India and through proper channel. However their application will be considered subject to minimum qualification to their eligibility of admission.

R. -----: The duration of the Certificate course in Environment Management and Disaster Mitigation shall be five months.

R. -----: The number of lectures for the Certificate course will be four hours on working Saturdays

R. -----: Intake capacity of the course will be 30.

R. -----: The Examination of the Certificate Course will be held in TWO parts – A midterm exam (with 40% weightage) and another at the end of the course (with 60% weightage)

R. -----: Passing of the midterm exam will not be requirements for appearing for the end of the course exam.

R. -----: To pass the Certificate course in Environment Management and Disaster Mitigation, the candidate must obtain a minimum of 50% marks overall (in midterm and end term examination taken together)

50% or more satisfactorily passed

Less than 50% Fail

The fees for the course is proposed to be 1500/- student. With the capacity of 30 students, that comes to Rs. 45000/- . The expenses are estimated to be Rs. 43000/- directly for the course and Rs.2000/- is kept as sinking fund for collective expenses for the Centre , like brochure printing , advertising , seminars etc.
