Justification for request for considering Equivalency

- Equivalency will enhance the registration of Post Graduated Certificate Course in Research Methodology
- It will provide a good platform for exchange of ideas for the students of the courses
- Many Ph.D. centers run by affiliated colleges find it difficult for conducting the course as there are sometimes only one recognized guide and conducting the Pre Ph.D. program becomes difficult.
- Centres too have requested for this equivalency to be considered.
- It is requested that it be considered that those who have done the Post Graduated Certificate Course in Research Methodology run by the Department of Education be considered as equivalent to the Pre Ph.D course work in Education .
