80-20 Scheme of Examination -2015-16
T.Y.B.Sc. Computer Science-Yearly credit base pattern

Background:

1. T.Y.B.Sc. Computer Science has total 4 major subjects and two applied component subjects.

Major Subjects				Web component	
P1	P2	P3	P4	AC1	AC2
100 marks	100 marks	100 marks	100 marks	60 marks	60 marks

Table1: Theory subjects

2. All theory papers mentioned above do have university conducted exams with defined marks as shown in table 1.
3. Every subject has practical.

Major Subjects practical				Web component practical	
Pract1	Pract2	Pract3	Pract4	AC Pract1	AC Pract2
50 marks	50 marks	50 marks	50 marks	40 marks	40 marks

Table 2: Practical subjects

4. Major subject's practical are conducted by university(External exams) and Web component practicals are conducted at respective PCP centers.

80:20 scheme of examination

1. In a new scheme of 80:20% evaluations, every student is evaluated for 80% external examination (EX) and 20% internal examination (IN) for both, theory as well as practical.

Major Subjects theory								Web Design Theory			
P1		P2		P3		P4		AC1		AC2	
100 marks		100 marks		100 marks		100 marks		60 marks		60 marks	
Ex 80	IN 20	Ex 80	IN 20	Ex 80	IN 20	Ex 80	IN 20	Ex 48	IN 12	Ex 48	IN 12

Table 3: 80:20 marking Scheme for theory subjects

Major Subjects practical								Web Design practical			
Pract1		Pract2		Pract3		Pract4		AC Pract1		AC Pract2	
50 marks		50 marks		50 marks		50 marks		40 marks		40 marks	
Ex 40	IN 10	Ex 40	IN 10	Ex 40	IN 10	Ex 40	IN 10	Ex 32	IN 08	Ex 32	IN 08

Table 4: 80:20 marking Scheme for practical subjects

2. For Internals there is no minimum passing mark. Zero marks for internal evaluation are allowed in both theories as well as for practical.

3. There is anindividual head of passing for theory as well as for practical.

4. Minimum passing marks for theory as well as for practical are 40%.

	Major Subjects theory				Web Design Theory	
	P1	P2	P3	P4	AC1	AC2
	100 marks	100 marks	100 marks	100 marks	60 marks	60 marks
Minimum passing marks	40	40	40	40	24	24

Table 5: Minimum passing in theory subjects in 80:20 scheme of examination

	Major Subjects practicals				Web Design practical	
	Pract1	Pract1	Pract3	Pract4	AC Pract1	AC Pract2
	50 marks	50 marks	50 marks	50 marks	40 marks	40 marks
Minimum passing marks	20	20	20	20	16	16

Table 6: Minimum passing in practical subject in 80:20scheme of examination

5. If student fails in any theory subject or practical, he/she has to clear only those theory or practical component in next attempt. No group passing.

6. In case "University examination" is conducted for 100 marks (for Major subjects) and 60 marks (for Web designing subjects) then the marks are to be converted to 80 and 48 respectively and are to be credited to the "External" marks component of the total evaluation.

7. Grace marks for passing in each head of passing (theory / practical) is same as that of existing ORDINANCE.

8. Ordinance 5042, 5043, 5044, 5045 will be applicable to IDOL.

9. Submission of mark sheet to Exam house by IDOL:

1. Internal mark sheet of all theory subjects (Six subjects= 4 Major+ 2 web Design).

2. Internal marks of all practical subjects (Six subjects= 4 Major+ 2 web Design).

3. External mark sheet of Web Design practical subject (2 subjects of Web design)
