

Applications for Shastri Research Student Fellowship for Students-SRSF

University of Mumbai is a member of *Shastri Indo-Canadian Institute*, New Delhi (SICI). SICI has announced Shastri Research Student Fellowship for Students-SRSF (Undergraduates/integrated course) as a part of **an MoU signed with MITCAS, Canada for internship programme**. The programme is known as is known as the **Globalink Research Internship**.

It provides a 12-week research project at Canadian universities for high-achieving senior undergraduates from around the world. Starting in May 2020, approved students will travel to Canada, where they'll work with a faculty supervisor and other researchers at their host universities.

Fellowship package

- Stipend for living expenses
- Professional development workshops
- Local Globalink Mentors

The deadline to receive applications under this programme is **September 18, 2019**. For more information, visit the [Globalink Research Internship web page](#). Students studying at the University departments and Colleges affiliated to University of Mumbai are eligible to apply for this internship.
