The IQAC Committee shall facilitate the overall performance evaluation, assessment, accreditation and quality upgradation of the institutions of higher education. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. During the post-accreditation period, the IQAC will channelize the efforts and measures of an institution towards academic excellence.

The detailed guidelines of the IQAC are enclosed herewith for your ready reference.

Your contribution towards teaching, research and various administrative tasks of the University is highly appreciated. A similar sustained support from your end is solicited towards this task of accreditation as is required for the upliftment of the University.
