Marking an Answer Sheet

Select the Annotation from the annotation panel and marks will get populated in the marking panel

The screenshot displays the RM Assessor software interface. At the top, the breadcrumb navigation shows 'Home > CBSETEST : CBS1002/01 > CBS1002 : Whole Paper'. The main window title is 'My Marking' for 'Response 6912776'. A toolbar contains various annotation tools like highlight, underline, and text boxes, along with a 'Mark by:' dropdown set to 'Candidate'. Below the toolbar is a row of mark selection buttons (1, 0.5, 1.5, 2, 2.5, 3, 3.5, 4, 4.5, 5) and a 'Marking' panel on the right.

The central workspace shows a handwritten answer on lined paper:

Storage Capacity: Indeed Dlw systems
needs enough storage, ~~at~~ since it contains
the historical data which needs to
be analyzed. Plan for high capacity
storage with redundancy like ~~not necessary~~,
~~and~~ RAID and can consider for
Distributed systems itself.

The 'Marking' panel on the right shows a table of marks for questions 25 through 31. Question 30 is highlighted in green, indicating it is the current question being marked.
