

Online Attendance – Screen Shot 03

Printing Packing List

- After updating the attendance and Go back to dash board
- Click " N " under Generate Packslip
- Click on the Printer icon and Print the packing slip
- The generated packing list must be pasted on the packing material (Answer script dispatched to the university)
- Answer script to be packed in multiples of 100 answer script in each packet
- Ensure there is nothing written on the BARCODE.

The screenshot shows a web interface for generating a packing slip. A teal header bar is at the top. Below it, a white box contains the form. In the top right corner of the white box, there is a teal button labeled "Print". The form itself has the title "Packing Slip" in the top left. To the right of the title is a barcode with the number "44685776" below it. Below the title and barcode, there is a list of fields with their values:

College Code	:	1
Exam Date	:	03/10/2018
Subject Code	:	10701-t
No of Scripts	:	3
