

### Financial support received for participating in the conference

	Name	Conference	Title of the paper	Dates	Amount (Rs.)	Funding agency
	Deepali Gadkari	The RGS-IBG Annual International Conference 2016	'Temporal Variations in 'b' value for select Major Seismic Events '	August 30 - September 2, 2016	40,000/-	UGC-unassigned grant (sanctioned by the University)

Financial support of Rs. 40,000/- was provided by the University of Mumbai to Dr. Deepali Gadkari for attending the RGS-IBG Annual International Conference, 2016. The amount partially covered the travel expenses. Attending the conference was of great benefit as it offered an opportunity to present the research work related to a seismic precursor to the academia at international level. Also it was possible to interact with the geographers from all over the world who showcased their research work. The recent trends in geographical research and new techniques of research were discussed. It widened the academic horizons of the beneficiary and in turn has benefited the students.
