Dear Sir,

This is to inform you that as per your instructions we both (myself and Prof. Vibha Surana, designate Director) participated in the 10<sup>th</sup> Global Confucius Conference Institute Conference held at Shanghai during 5-7 December, 2015. It was very fruitful as we could interact with key people in the business during the conference.

We would like to update you on certain issues as follows:

1. The Chinese partners are asking for premises for Confucius Institute: rooms for Indian and Chinese Directors, for Chinese teacher & classroom. As per MoU we were to provide. They have spelt out clearly that if it does not happen, the funds given to us for other activities would have to be returned to them.
2. Qualified teachers need to be deployed to start regular teaching of internationally standardized HSK Chinese Language Proficiency Courses and tests.
3. Fully furnished accommodation will need to be given to the Chinese teacher who is arriving with family for two years.
4. The Chinese director of our CI will arrive in a few weeks and expects accommodation on par with what we were provided.
5. They will offer full scholarships for our good students (6 months for HSK level 2 and 12 months for HSK 3 etc).
6. They were looking forward to meet you but this could be done next year - perhaps you could even speak in an appropriate VC's forum in the conference
7. They have asked / audited statement of accounts signed by both Chinese and Indian Directors.
