

### 6.4.3

The resource mobilization policy of the fund and the optimal utilization of resources for the period 2013-14 to 2017-18.

The Universities strategies and procedure for mobilization of resource and optimal utilization of resources. The resources mobilization is done through the following resources.

1. Admission and examination fee
2. Affiliation fee
3. State Government Grant & Central Government Grant, RUSA Grant, Research Grant by external agencies
4. Instituting professor chair in the university department
5. Individual donors, endowment chairs
6. International fellowship and scholarship
7. Conducting consultancy services
8. Conducting innovative programmes
9. Industry academia interface and industry donation
10. Student and faculty exchange programme with foreign universities

The above resources are optimal utilized for the purpose for which they are received. Optimal utilization of resources is done by ensuring economy and efficacy.

Expenses are done subject to sanction from various authorities, as per the delegation of powers. Finance & Accounts Committee formulates budget and wherever so ever required Purchase Committee ensures procedural part of executing the expenses.

Every year budget committee is formed to apprise earlier application of spendings.
