Sub: Exhibition | On The Rocks: Rocks. Minerals. Fossils. | Request to place poster on notice board

Dear Sir/ Ma'am,

Greetings from CSMVS Mumbai!

Students of the Post Graduate Diploma course on Museology and Conservation of Chhatrapati Shivaji Maharaj Vastu Sangrahalaya (CSMVS) have organised an exhibition "**On The Rocks: Rocks. Minerals. Fossils.**"

The exhibition '**On The Rocks: Rocks. Minerals. Fossils.**' attempts to shed light on the types, formation, evolution and utility of rocks, minerals and fossils using the collections of rock, minerals and fossils of the Natural History Section of the CSMVS. This is the first time that these collections have been placed on display. **The exhibition is curated and designed by the students of Post Graduate Diploma students in Museology & Conservation under the guidance of 4 mentors from the CSMVS Curatorial and Exhibition staff.**

We request you to display and circulate the poster attached herewith amongst your students and faculty so they can visit the exhibition.

About the PG Diploma Course in Museology and Conservation at CSMVS

CSMVS introduced a Post Graduate Diploma course in Museology and Conservation in affiliation to the University of Mumbai in 2009 – 10 with the aim of carving out critically and creatively prospective museum professional with traits and skills related to good museum practices. This is a 1-year academic course held from July to May and covers various aspects of collection management, exhibit designing, project implementation, communication aids and leading edge ideas in conservation practices. These are taught through lectures, field visits, practical assignments as well as workshops and interactions with field experts from India and abroad.

With kind regards,

Yours sincerely,

Manisha Nene
