Dear All,

For those students who have not received their email for Login, kindly ask them to follow this process. Our support team is also aware of the same and will guide them through this as well. This in case students reach out to you:

Step 1:

Go to <https://examcloud.in/ept/slogin.php>

Step 2:

Click on Forgot Username / Password?

Step 3:

Input email ID and security key as shown on the page

Step 4:

If correct email ID is as per database the student will receive the password with login details in the email inbox and can login using the same
